I believe the two facilities are located in Anne Arundel County...not in the Western Division. I will send this to my counterpart in the Central Division...Clay Troy and Patrick Noyes for follow up.

Since the sites are in Anne Arundel County, neither Brad or I will be involved. Thanks

Yes, we would like the opportunity to attend any on-site evaluations.

ps: Scott/Jim would be the contacts for coordination/scheduling...

Good morning Sharon,

I will be attending the Maryland MHP inspections and can coordinate attendance, as well as times and dates of the inspections with the contractor (Jake Albright from PG) once they have been finalized.

Tentatively, we are looking to perform the Boones WWTP and Lyons Creek inspection on Wednesday November 4. Exact times and dates will be confirmed after Jake contacts the facilities this week.

Would you let me know if MDE inspectors would like to attend these inspections, and if so, can you send me their contact info?

Sincerely,

**Subject:** Compliance Assurance Notification: Horizon Land Management Inspections

Good morning,

Below is a compliance assurance notification regarding planned EPA inspections at two mobile home parks in Maryland where were referred by MDE. Shane McAleer will be reaching out to Sharon to coordinate MDE inspector attendance if you would like to send folks out on these inspections.

Please let us know if you have any questions.

Thank you for referring these cases to us. We hope these actions will assist MDE in returning these facilities to compliance.
